EXPERIENCE

Sound Technician — Oak Ridge High School Theatre

January 2023 – March 2024 - Operated soundboard, microphones, and audio cues for three theatre productions. - Prepared and organized digital sound effects using scripts and computer tools before rehearsals. - Collaborated with cast and crew of up to 70 members, assisting in equipment troubleshooting and set preparation.

Volunteer Helper — Urban Farmers, Danville, CA

August 2017 – January 2020 - Supported non-profit fruit gleaning operations to distribute produce to families in need. - Collected 900–1200 pounds of fruit per shift with team volunteers. - Practiced communication, coordination, and time management in fast-paced environments.

LEADERSHIP & ACHIEVEMENTS

Eagle Scout — Troop 454, El Dorado Hills, CA

December 2023 - Led a complete community service project involving design, planning, volunteer management, and delivery of bird nesting boxes to Sierra Wildlife Rescue. - Gained skills in leadership, project coordination, safety planning, and hands-on construction.

Youth Leadership Forum for Students with Disabilities — Delegate

June 2023 - Represented El Dorado County at a statewide leadership event. - Developed communication, self-advocacy, and teamwork skills through workshops and interactions with state legislators and professional mentors.

ADDITIONAL QUALITIES

- Strong work ethic and commitment to learning
- Positive interpersonal and communication skills
- Community-minded with a collaborative mindset
