

# GEORGIO VANDARAKIS

(925) 808-8095 • vandarakisg@outlook.com

## SUMMARY

Kind, respectful, hardworking college student who is a tech enthusiast, loves to be social, and enjoys music. Positive work ethic and effective communication skills, along with a willingness to be helpful and serve community through volunteerism and work.

## EDUCATION

**University of Nevada, Reno**, *Information Systems*, Expected May 2028

- Earned a place on the Spring 2025 Dean's List in the College of Business
- Entering sophomore year in August 2025
- Relevant coursework: Math, English, Spanish, Biology, Computer Science

**Oak Ridge High School**, *High School Diploma*, May 2024

- Graduated with a 3.9 GPA
- A lifetime member of the National Honor Society because of academic achievement and leadership
- Link Crew member welcoming new students to Oak Ridge High School
- Engaged in Drama productions as a sound technician from 2023-2024

## EXPERIENCE

**Oak Ridge High School**

***Sound Technician Volunteer for Theatre Productions***

**El Dorado Hills, CA**

**January 2023 - March 2024**

- Volunteered in three productions to help with the soundboard, microphones, and sound effects
- Compiled sound effects before rehearsals using the script and computer. Executed sound effects throughout performances, seating hundreds of people per show
- Cooperated with up to 70 people between cast and crew to also build sets and props, while fixing microphone issues during rehearsals and performances

**Urban Farmers**

***Volunteer Helper***

**Danville, CA**

**August 2017 - January 2020**

- Worked with several volunteers in a non-profit organization to glean fruit from neighborhood trees to distribute to communities in need throughout Contra Costa County
- Picked between 900-1200 pounds of various fruits in a day

## ACHIEVEMENTS

Earned Eagle Scout Rank with Troop 454 El Dorado Hills, CA (December 2023)

Started with Cub Scouts, then continued to Boy Scouts, where I earned various merit badges to develop lifelong skills, such as cooking, first aid, and wilderness survival. I moved through a set of ranks in Boy Scouts, including Scout, Tenderfoot, Second Class, First Class, Star, and Life rank to be on track to earn Eagle. Each rank advancement signified proficient demonstration of skills and leadership. For Eagle rank, for example, I had to create a community project. For this, I planned for a bird nesting box assembly project. I compiled a project binder approved by an independent committee, assembled volunteers through Troop meeting announcements and flyers, cut pre-measured pieces of wood for assembly, and brought volunteers over to assist with construction. The results of the project were delivered to Sierra Wildlife Rescue.

Youth Leadership Forum for Students with Disabilities, Sacramento, CA (June 2023)

Selected as a delegate to attend this forum and represented El Dorado County. I developed skills in leadership, self-advocacy, and independence for college and beyond. Our cohort met professionals with disabilities who gave speeches during that week and lawmakers at the State Capitol.
